by FEDEL

VERSE 1

Cost of sin be too high; Jesus died paid the price
Gave me eternal life; you know that be a gift right?
Got to know the basics
Romans 6:23 the Gospel is amazing

Had a couple friends thought it was cool to sin
Couldn't pick them on my team; I can't hang with them
We live Proverbs 13:20; they thinking they cool
We hanging with the wise; momma didn't raise no fool

Drawing near everyday to our heavenly father
Purify my heart Lord like drinking water
Time out – James 4:8
Gotta pray and give thanks cause my God is so great

HOOK

GAME ON
Light it
Light it up
Light it up
Light it
Light it up
(x3)

GAME ON
GAME ON
Light it up
Light it up
(x2)

VERSE 2

Bible be my game plan can't win without it
Teaching me, rebuking me, I can't live without it
Training me, correcting me, into righteousness
See we gonna miss but God never misses

Jesus came to serve; so I'm going serve
Mark 10:45 read it in His word
Somebody feeling down; we going lift him up
Kinda like a pick and roll; we going set em up

The world going to tempt me; I'm going to stand tall
That's what we call good D; relying on God
Lord I love you; James 1:12
We going to get the crown of life so blessed I am

VERSE 3

We be in the weight room; training our body
More importantly in the word; training to be Godly
When that full press come been working on my dribbling
1 Tim 3:7,8; Jesus always wins

Got to pass the rock; don't hog the ball
It's the good news; go and tell it y'all
It's Jesus y'all; Mark 16:15
Go and tell this world about this good thing good thing
